# The e-printing solution

You will have an e-printing application at your disposal which allows you to access, personalise and other your documents. Your departments will be able to approve and pass the final proofs for press on line. Each product can be sent and invoiced to your different operational offices. You will be able to access your price lists in real time, without having to request prices.

*... A fast, easy solution for everyday use*

## 4 stages

### Stages

1

#### SECURITISED CONNECTION

- **Identify yourself at [www.prprint.com](http://www.prprint.com)**, with personal password and login.  
Available 24/24, 7/7 from anywhere and on any platform.

2

#### DOCUMENT SELECTION

- **View all your document.**
- **Choose a category of products**, and the list of available models appears on the screen with colour illustration.

3

#### PERSONALISING YOUR PRODUCTS

- **Create or select an existing product**, view the product on screen and, if need be, amend the data shown there. Update the print preview and obtain immediately a visual of the artwork which is faithful to the print.
- **If necessary, name one or more approvers**, people within the company who will approve the order.
- **Choose the invoicing and delivery addresses** for each product.

4

#### ORDER

- **Select the quantity and delivery method.**
- **Enter your internal reference numbers, order from (PO) number.**
- **Put your products in the trolley.**
- **View the details of the order amount, then confirm it.**

#### SUPER-FAST DELIVERY PERIOD

- **Possibility of receiving** your business cards within 48 hours.

# Advantages for you

## THE PERFECT RESPONSE TO BUYERS' EXPECTATIONS

- **Cut costs by 20 to 50%** and access to a price online.
- **Save time:** no more laborious correspondence by post and fax in order to approve the proofs.
- **Securitized site with password and login**, one interface for the managers and another more concise one for the users.
- **Solution for managing purchases** of modular printed matter that can be updated and with parameters that can be changed according to the organisation and needs of your company.
- **A solution that's easy to use** on a daily basis and quickly adopted by those less familiar with computing and internet, whether in the case of a single administrator or a number of different users or sites.
- **Full record of each product:** "Who placed the order?", "Who approved it?", "Who rejected it?", etc...
- **Free training** of the site administrator(s).

## THE PERFECT SOLUTION FOR THE MARKETING DEPARTMENT

- **A solution that guarantees full compliance with the company's graphic design standards by all your users:** whenever each of the documents is opened, your data is entered automatically in the right places.
- **Only the correct printed matter:** each employee, each department, each agency, etc... see only the models that they are authorised to order.
- **Guaranteed uniformity in the production and printing of your documents.**

## MANAGE THE SYSTEM EASILY YOURSELF

- **Manage your users:** unlimited facility to add, amend and remove users present in the system.
- **Direct your users:** decide yourself, for your different users, on the rights, approvals (compulsory and optional) and the list of products that they will be authorised to order.
- **Automate your logistics:** you can stipulate different users.

## SIMPLE AND WITHOUT RESTRICTIONS

- **No commitment, no installation or subscription costs and no obligation to buy.**
- **No software installation required.** A team available to help you at any time.
- **Payment according to your usual terms and conditions of purchase.**

## What kinds of printed matter?

Business cards, 'with compliments' cards, letterheads and continuation pages, envelopes, invoices, sets, order forms, name tags, notebooks, folders, labels, printing paper, leaflets, brochures, advertising objects and more...

### What do you need to do now?

Send us your logo as an .eps or .tif or.pdf file, along with a sample model of the document (e.g. a business card) by downloading or by post. We will get in touch with you and send you a free test sample.
